Dear Ms. Wolf:

On behalf of the Town of Avoca, I would like to extend my appreciation for the amazing work done by you on the FEMA project. The endless hours that you have spent working on this project, and the professionalism that you have portrayed has impressed us immensely and we deem ourselves honored to have had you on this project.

We had been following each process of this project as it was one of the most important ones that we have done thus far and its success was of the utmost importance to us. Seeing your diligence, self-motivation and focus has been a source of motivation for the rest of us.

If we ever expect another project of this intensity, we would like you to head it as well, so that we can be sure of its success. Thank you once again for all your effort and time spent with us.

Best Regards,

Jordan Sullivan
