REQUEST FOR BIDS

City of Alamo Parade Fire Truck Building and City Hall Repairs

City of Alamo (CITY) is seeking sealed bids for repairs to the Parade Fire Truck building and City Hall. This project will be partially funded through FEMA's Public Assistance Program with the purpose of repairing both structures to restore facilities back to pre-disaster design, function and capacity (in-kind) within the existing footprint.

BID SUBMISSION

Bids and all required documents must be submitted online to the DFS Procurement Portal (hereinafter "DFS Portal" or "Portal") at dfs.bonfirehub.com no later than **Friday, May 15, 2026 at 9:00 A.M.**, local time (EST).

Bids received after the due date and time will be considered non-responsive and will not be considered.

Questions regarding this RFB are to be submitted within the Portal at dfs.bonfirehub.com by May 11, 2026 at 5:00 PM. For questions regarding portal registration or navigation, please email: procurement@erassist.com.

Bid opening will occur and be awarded at the Alamo City Council meeting in Alamo City Hall, located at 7 West Main St, Alamo, GA 30411 on **Monday, May 18, 2026 at 6:00 PM**.

Site visits may be requested by contacting the City Manager, Jeff Floyd at 912-423-9341 during office hours. Site visits are not guaranteed and are contingent upon availability.

Submission of any bid signifies the Contractor's agreement that their bid and the content thereof, are valid for ninety (90) calendar days following the submission deadline and will become part of the contract that is negotiated between the City of Alamo and the successful bidder. All prices submitted with the bid shall remain in effect for the ninety (90) day period.

Bidders must provide insurance policies in the DFS Procurement Portal showing proof of general and professional liability coverage upon submission.

Bidders shall submit a bid guarantee in the amount of 10% percent of the total bid price, which shall be in the form of a firm commitment such as a bid bond, postal money order, certified check, cashier's check, or irrevocable letter of credit. Bid guaranteed other than bid bonds will be returned (a) to unsuccessful bidders after the opening of bids; and (b) to the successful bidder upon execution of such further contractual documents (i.e., insurance coverage) and bonds as may be required by the bid. Hard copies shall be delivered to the City of Alamo City Hall, at 7 West Main St, Alamo, GA 30411. Soft copies shall be uploaded to the DFS Procurement Portal.

GENERAL TERMS & INFORMATION

- All requested information fields in the Portal must be filled out to be considered a valid bid.
- Work is expected to be completed **within 60 days of contract award**.
- **Work will not be considered complete until all invoice documents are provided and invoice validation is complete.** Final invoice with all required documents must be provided in a single transmission (email or link to a dropbox , google drive, or other file sharing service). Multi-part transmission of invoice documentation will cause a delay in validation which will affect payment processing timelines and designation of completion.
- Project locations and site photos are provided in Appendix A of this RFB.
- The City is also requesting alternate bids for installing metal exterior siding on the Parade Fire Truck Building instead of vinyl siding.
- Contractor shall be responsible for all expenses incurred while performing services under this Agreement. This includes automobile, truck, and other travel expenses; vehicle maintenance and repair costs; vehicle and other license fees and permits; insurance premiums; road, fuel, and other taxes; fines; radio, pager, or cell phone expenses; meals; and all salary, expenses, and other compensation paid to employees or contract personnel the Contractor hires to complete the work under this Agreement.
- The contractor will restore any landscaping, asphalt, concrete, etc. disturbed during construction to its original state or approved alternative. Any damage to the City's property caused during construction will be repaired at the contractor's expense.
- Contractors will be responsible for determining all requirements and permits needed to complete the reconstruction work and any associated components needed to ensure the proper, efficient, and safe completion of this project. The awarded contractor will also be responsible for obtaining any and all engineering approvals mandated and required by federal, state, or local codes or regulations. All permits, inspections, engineering approvals and associated requirements are the responsibility of the selected Contractor. Copies of required permits and approvals must be provided to the CITY upon receipt.

- This work is for a specific site/repair with quantities listed on a FEMA grant; as such documentation supporting the quantities must be provided (e.g. quarry tickets, or load counts/truck capacities). Invoices must list the haul off location of any debris, spoils, or waste (example: permitted landfill, recycling location, or road dept for reuse).
- Payment will follow only after work is completed, all documentation is received from the Contractor and reconciled by the Grants Management Team, and after approval by the Fiscal Court. (Documentation to include items such as before/after photos (always required), quarry documentation, quantity documentation, and documentation of disposal).
- Successful bidders, assigns, subcontractors must be compliant with all applicable Federal, State and Local laws.
- The City of Alamo reserves the right to accept or reject any or all bids. The right is also reserved to waive any minor irregularities in this bid, and to award the bid to the bidder whose offer is most advantageous to the CITY and in the best interests of the CITY.
- The City of Alamo is an Equal Opportunity Employer. All companies, including women, minority, and veteran owned businesses are encouraged to submit a bid
- Work can not start until the contract agreement is fully executed and the contractor has made contact with the City of Alamo to schedule work and work supervision/inspection.
